The classes of 6ème and the class of 5A discovered Ireland in English class with their teachers.

**They learnt about the history of the the patron saint of Ireland, « Saint Patrick. »
They studied the origins of this celebration and how it is now celebrated in Ireland but also in the USA.**

The class of 5A was really helpful and decorated the whole school canteen and the main hall for St Patrick's celebration on Thursday March 17th 2022

They used big green shamrocks, tinsels, leprechauns that they made themselves in class.
